University of Possibilities

04

Possibilities are a feature of the future of youth. It is the responsibility of committed and visionary leaders to enable and empower the young minds to explore, engage, evolve and excel to achieve their best. Ganpat University has been a place that's been continuously opening up possibilities for the learners.

### The most preferred choice for quality higher education

Conferred a "STATUTORY UNIVERSITY" status by Government of Gujarat and recognized by UGC. Ganpat University offers well-diversified undergraduate and postgraduate programmes in technical and professional disciplines. Spacious buildings, excellent infrastructure, rich resources, talented faculty and insistence on quality are some of the contributing factors that have enabled Ganpat University to be the MOST PREFERRED CHOICE and a reputed place for acquiring quality & industry-linked higher education.

“

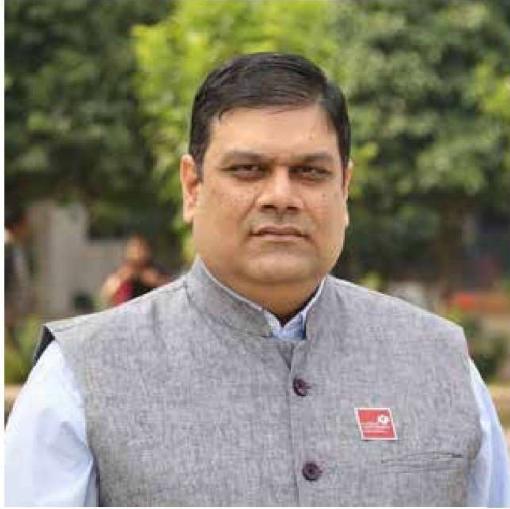

Knowledge will take you to places you want to go. Make sure that you recognise the significance of knowledge as part of life and what it can do for you. If the fish is taken out of water, they would have no life. Knowledge is very similar for you.”

**Shri Ganpatbhai Patel**

President & Patron-in-Chief

Life Philosophy and Contribution of  
Shri Ganpat I Patel (Padma Shri awardee)

Ganpat University, is a reputed "Socially Responsible University" with 100% Philanthropic Values, originating from its Founder Padmashri Shri Ganpat Patel and all the Stakeholders, has kept "Students First" as a central approach in all the decisions. Several Awards bestowed on the University by Government, Industry Associations, Media Houses, Social Organizations and many more, speaks about the achievements and quality work done by the University, which is measured by success of Students and Alumni in Career and Life, year on year.

The University aspires to become the first Stanford-styled University of the country. Our Extended FAMILY

### Krishi Vigyan Kendra (KVK) Agriculture Science Center

KVK is an initiative by 'Bharatiya Krishi Anusandhan Parishad', department of Agriculture, Govt. of India. It is spread across 50 acres of dedicated land to undertake scientific research and experiments in the field of agriculture and by conducting activities like demonstration of different crops, farm visits, and training of farmers to educate them through contemporary technology to get maximum crops. Regular camps are being organised by KVK in the nearby villages to assist farmers in adopting advanced technology and methods to increase their crop yield.

An active and continuous interaction with various Government departments like agriculture, forest conservation, wildlife, horticulture etc. KVK maintains the nursery on the campus and takes care of plants and gardens. It also offers short-term and long-term special education and training programs for farmers of the surrounding area.

As a recognition to its activities, a team of agriculturists from Maharashtra visited KVK to enrich their knowledge about cultivation of lemon.
